

DIETETIC COURSE TRACKING TOOL

from

Creating Your Career Portfolio At-A-Glance Guide for Dietitians, 2nd Ed.

This free exercise uses your current class syllabus as a tool for classifying skills and ACEND® competencies your students are learning in your class. Help your students see the connections between this class and their own dietetic career!

This is just one of the downloadable templates available with ***Creating Your Career Portfolio At-A-Glance Guide for Dietitians, 2nd Ed.***

Dietetic Course Tracking Tool

Complete a separate sheet for each class. Review your class syllabus at the beginning of the semester and begin filling in this sheet. Review it periodically through the semester and update information as needed. Use the Source File Names/Location column to keep track of any electronic documents that could be used as work samples.

Course:			Semester: Subject Area:		
Date	Project/ Assignment	Skills Demonstrated	ACEND® Competency	Skill Type (Hard, Soft, Transferable)	Source File Names/Location
Recommendation Letter from Teacher? Yes / No / Maybe Create Skill Set for this class? Yes / No / Maybe Instructor sign off on skills? Yes / No / Maybe			My Goals for this Course:
